Dr. Alla Anastos and her team at the US Dental Care would like to welcome you to their new office on the 2nd floor of the Olympic Hall Business Center, Olympiysky Prospect 16, Bld 5.

US Dental Care has been a dedicated dental care provider in Moscow for over 20 years. It remains a top choice in Moscow because of its Western standards, family-oriented care, and Russian and English-speaking staff.

The new US Dental Care facility at Olympic Hall boasts more space with individual dental suites for improved privacy. The expanded space houses the latest in dental diagnostic and treatment technology, including sedation dentistry for adults and children.

We provide the highest level of dental care in a comfortable setting for both new and long-time patients.

You and your loved ones deserve the best care possible. Trust the professionals at US Dental Care to keep your smile beautiful and healthy for life.

We look forward to seeing your smile in our office
